DIESEL ACCESSORIES							
Road-tow trailer			R 180.00	R 3,375.00			

Please note:

- 1 - Our range of diesel-powered units are driven by Hatz or Deutz diesel engines, with governors limiting rpm. The units are serviced after every rental contract.
- 2 - On-site services are performed strictly on the onus of the client. ITT Flygt are happy to provide the necessary oil, filters, belts, etc, upon request.
- 3 - Collection and delivery of the units is for the client's account. ITT Flygt will be happy to deliver/collect the equipment at standard AA rates / km.
- 4 - The NWV units are fully soundproofed, reducing sound emissions to 37Db @ 6m.
- 5 - All road-tow trailers include ball-type tow hitches, pneumatic braking systems, on a double-rub axle, and legally licensed to tow on SA roads.
- 6 - The suction hose is 6m X 150mm wire-reinforced rubber hose, including Perot quick-coupling for termination on the pump.
- 7 - The pumps are of superior abrasion-resistant materials, suitable for solids-handling, medium slurries, and clean potable water.
- 8 - Standard terms and conditions apply, as per our submersibles above.

NATIONAL RENTAL PRICE LIST
VALID FROM 01 JANUARY 2010

ITT Water & Wastewater
South Africa (Pty) Ltd
